GE Appliances

WCRE6270DCC/WW – GE® Super 3.5 Cu. Ft. Super Plus Capacity Washer

Features and Benefits

- Stainless Steel basket – Resists rust, won't chip or peel.
- Rotary electronic controls with cycle status lights – Make it easy to select and monitor wash cycles.
- Six wash/spin speed combinations – Vary between low and high, depending on the load, for better clothes care.
- 27 wash cycles – Deliver outstanding cleaning results.
- PerfectTemp – Regulates wash water temperatures for proper fabric care.
- Bleach and fabric softener dispensers – Solutions are automatically mixed with wash water for bright, soft-to-the-touch results.
- Four Water Levels – Offers water and energy savings.
- Deluxe Quiet performance – Now you can do the wash anytime, whether it's nighttime or naptime.
- Auto Soak (Locked) – Soaks dirty clothes for 15 or 30 minutes before the wash cycle, so there's no need for an extra cycle.
- Auto 2nd Rinse – Helps to protect delicate fabrics and sensitive skin.
- Model WCRE6270DWW – White on white
- Model WCRE6270DCC – Bisque on bisque
