

Hotpoint® 6.2 cu. ft. Capacity Electric Dryer with Up To 120 ft. Venting and Shallow Depth

HOTPOINT

Model# HTX26EASWWW

- Auto Dry - Auto Dry monitors the internal air temperature to determine the ideal drying time, protecting your garments from over drying.
- Powerful Venting & Flexible Installation - Powerful airflow offers long-lasting performance from lint build-up and offers venting solutions up to 120 feet for greater installation flexibility.
- Large Diffuser for Even Drying - A large internal heat diffuser allows for warm air to evenly spread throughout your clothes during the cycle, making this the ideal dryer for large loads and bulky items.
- Durable Aluminized Drum - This durable, long-lasting design resists corrosion and optimizes drying performance.
- Reversible Dryer Door - Door can swing from either direction making it easier to access the last sock from the back of the drum.
- Temperature Selection - Offer a range of drying temperatures to adjust to the specific needs of your garments for personalized garment care.
- Up Front Lint Filter - Simplify the task of lint removal with our convenient upfront lint filter, enhancing airflow within the appliance and for your garments.
