FULLY INTEGRATED COLUMN DESIGN
With concealed hinge offers a look of seamless perfection that installs flush with surrounding cabinetry

STATEMENT AND MINIMALIST COLLECTION REFRIGERATOR HANDLES (SOLD SEPARATELY)
Designed to enhance choice and customization, Statement and Minimalist Collection refrigerators do not come with handles. Handles must be chosen separately and ordered through a Monogram representative

PANEL-READY EXTERIOR WITH SIX-WAY ADJUSTABILITY
Accepts Statement or Minimalist Collection stainless steel panels ordered separately from Monogram or custom panel & handle from your cabinet maker

RETROFIT CAPABILITY
Allows you to replace a 48" or 42" built-in side-by-side refrigerator with two column refrigerators with no cabinet or electrical modifications

RAMP-UP LED INTERIOR LIGHTING
Throughout the fresh food compartment accentuates the sophisticated interior and allows easy viewing of contents

AUTOFILL PITCHER
Automatically refills when placed on its dock inside the refrigerator, so you’ll have a pitcher of chilled, filtered water ready anytime

REMOTE CONNECTIVITY VIA WIFI
Allows you to wirelessly control refrigerator settings from your smartphone, using an available app

ADJUSTABLE, HYDROPHOBIC, SPILL-RESISTANT GLASS SHELVES WITH INTEGRATED LED LIGHTING
Provide convenient storage and a clean appearance

FINELY CRAFTED, ADJUSTABLE ALUMINUM DOOR BINS WITH GLASS ACCENTS
Offer easy access to beverages and quick-grab items

UPFRONT, ELECTRONIC-TOUCH CONTROLS
Make it easy to adjust climate settings to create ideal food storage conditions

TEMPERATURE-CONTROLLED DRAWER
Offers added storage flexibility with pre-programmed settings for meat, beverage, and deli

SOFT-CLOSE DRAWERS
Use an innovative sliding mechanism to help the drawers close gently and completely

HUMIDITY-CONTROLLED VEGETABLE DRAWER
Helps preserve the freshness of foods

DEDICATED EVAPORATOR SEALED SYSTEM
Helps maintain a precise temperature throughout the fresh food compartment

WATER FILTRATION SYSTEM
Supplies you with clean, fresh-tasting water

SABBATH MODE
Designed to disable functions in accordance with Sabbath-observing practices

### OVERALL DIMENSIONS

**WARNING:**
When installing appliance, you must use and follow the product installation instructions. These can be found with unit or on web at monogram.com.

**ATTENTION ELECTRICIAN:**
A 115 volt 60Hz, 15 or 20 amp power supply is required. An individual properly grounded branch circuit or circuit breaker is recommended. For multiple unit installation, each unit requires separate individually properly grounded circuit or breaker and separate properly grounded 3-prong electrical receptacle recessed.

Dimensions in parentheses are in centimeters unless otherwise noted. Actual product dimensions may vary due to manufacturing tolerances.
### SINGLE INSTALLATION

- A minimum 3 1/2" (8.9) finished return matching cabinet exterior recommended on interior on all sides and top at front of opening.
- Trimmed refrigerators are designed to be customized with decorative panels. Field-installed 3/4" custom door panels are required.
- Maximum total panel weight:
  - Door panel – 45 lbs.
  - Note: For panels constructed with rails and stiles (5-panel), the rails and stiles must be a minimum of 2" wide.
- For Custom Panels: Use templates provided with units to pre-drill holes for mounting panel brackets (provided with unit). Adjustment screws and instructions also provided with units.
- Requires custom handle from cabinet maker.
- Stainless steel handle and panel options:
  - ZK1SN309NLH: Left-hand 30" stainless steel door panel
  - ZK1SN304NRH: Right-hand 30" stainless steel door panel
  - ZKSP1H1CNSS: Minimalist handle for stainless steel panels only
  - ZKSP1H1PNSS: Statement handle for stainless steel panels only
