Inside this pocket guide are the specifications for the exclusive BrandSource line of products built by General Electric Appliances. Also included are specifications on certain Showcase models that enhance the exclusive BrandSource line of products. The BrandSource line is available only to BrandSource members and the Showcase line only through independent retailers. By featuring these products in your store it will help increase your profitability because of the limited distribution. This helps protect your margins by giving you a “safe haven” in a very competitive marketplace. The BrandSource line is designed to provide a highly-featured product at certain specified key price points. The Showcase line features are more upscale and provide you with a “step-to-piece” within the General Electric line of products. These products produced by the General Electric Company truly provide you with the opportunity to increase your volume and profitability. Capitalize on this opportunity to insure your success as a BrandSource member.

Before purchasing any appliance, read important information about its estimated annual energy consumption or energy efficiency rating that is available from your retailer or at GEAppliances.com.

How to use this pocket guide:
Red indicates special BrandSource or Showcase features
Available in the following colors:

- Stainless Steel–GSS27RSMBS
- White on white–GSS27RGMWW
- Bisque on bisque–GSS27RGMCC
- Black on black–GSS27RGMBB
◆ **GSS27RG**

- **26.7 cu. ft. capacity**
- Tall, LightTouch! dispenser with one year SmartWater™ Plus filtration
- **Quick Ice™ setting**
  - Electronic touch controls
  - Integrated shelf support system
  - Slide-out, spill-proof glass shelves
  - QuickSpace™ shelf
  - Clear snack pan
  - One adjustable humidity clear crisper and one sealed clear pan
  - ClearLook™ adjustable gallon door bins
  - Dual level lighting
  - One tilt-out freezer door bin
  - Premium handles

Tall LightTouch! dispenser fills sport bottles, pitchers, even blenders! Delivers chilled filtered water, crushed or cubed ice, and the Quick Ice feature produces up to 50% more ice than normal settings.

Slide-out, spill-proof glass shelves help contain spills for ease of cleaning, and the QuickSpace shelf slides back to store tall items.

Upfront electronic touch controls are easy to see and set.
Available in the following colors:

- White on white—GSS25UFMWW, GSS22UFMWW
- Bisque on bisque—GSS25UFMCC, GSS22UFMCC
- Black on black—GSS25UFMBB, GSS22UFMBB
◆ GSS25UFM
- 24.9 cu. ft. capacity
- Tall LightTouch! dispenser with SmartWater™ filtration
- Child lockout
- Upfront electronic controls (dials)
- Adjustable spill-proof glass shelves
- Clear snack pan
- Clear crisper
- Adjustable temperature clear meat pan
- Adjustable gallon door storage bins
- Raised crisper divider
- Dual level lighting
- Wire slide-out freezer storage bin

◆ GSS22UFM (not shown)
- 21.8 cu. ft. capacity, all other features same as GSS25UFM.

SmartWater filtration system delivers healthy, great-tasting water and ice.

Spill-proof glass shelves help contain spills for ease of cleaning.

Raised crisper divider.
Available in the following colors:

- White on white—GTS22UBMWW, GTS18UBMWW
- Bisque on bisque—GTS22UBMCC, GTS18UBMCC
- Black on black—GTS22UBMBB, GTS18UBMBB
◆ **GTS22UBM**
- 21.7 cu. ft. capacity
- Electronic controls/sensors (GTS22)
- FrostGuard™ technology (GTS22)
- Four split, spill-proof glass shelves
- **ShelfSaver™ Rack**
  - Two adjustable humidity crispers – **Profile™ design**
- One clear snack pan
- Modular gallon door bins
- Freezer dome light
- Tilt-out freezer door bin
- Spill-proof freezer floor

◆ **GTS18UBM** (not shown)
- 17.9 cu. ft. capacity
- Same features as GTS22UBM, without electronic controls/sensors and FrostGuard technology.
Available in the following colors:

- White on white—JBP69WDWWW
- Bisque on bisque—JBP69CDCC
- Black on black—JBP69BDBBB
◆ JBP69

- 5.0 cu. ft. capacity
- TrueTemp™ system
- Self-clean oven
- Six-pass power bake element
- QuickSet III oven controls
- Smoothtop cooktop
- Two 6" and two 8" elements
- **Big View window**

Six-pass power bake provides more power, total coverage, and even cooking.

Big View window provides easy viewing of oven contents.

QuickSet III oven controls – easy-to-use electronic controls provide cooking convenience.
