GE Profile™ Series Stainless Steel Interior Dishwasher with Hidden Controls

FEATURES AND BENEFITS

Advanced wash system with more than 140 cleaning jets - Achieve the ultimate clean from an industry-leading number of jets that deliver complete washing coverage to every corner of the dishwasher

Deep Clean silverware jets - No matter how you load your silverware basket, powerful jets blast away stuck-on food for silverware that’s always spotless

Third Rack - Easily clean an entire flatware collection, knives and small utensils with an additional rack across the top of the dishwasher

Bottle Jets - Clean hard-to-reach areas inside tall items with dedicated jets integrated into the upper rack that shower water deep inside for the ultimate clean

WiFi Connect - Monitor performance, check status and automatically reorder detergent using your mobile device

Reversing quad blade wash arm - Dishes come out impressively clean thanks to this revolutionary lower wash arm, with 25 spray jets reversing direction to hit items from every angle

Side jets - Cascading water fills the dishwasher while hydrating soils

Top control with LCD display - User-friendly controls complement the sleek stainless look.

Easy touch adjustable upper rack with 2 Stem Safe shelves - Quickly adjust the upper rack 2 inches up or down to accommodate tall glassware and 10 ½" plates with plenty of room in the bottom rack for large platters and cookie sheets

40 dBA - Ultra-quiet operation creates a peaceful kitchen environment even as it delivers powerful wash performance
