

GE Profile™ 30" Slide-In Front-Control Induction and Convection Range

Model# PHS930SLSS

- Fit Guarantee - Replace your old 30" free-standing range with a new 30" slide-in model. GE slide-in ranges are guaranteed for an exact fit or GE Appliances will pay up to \$300 toward modifications. See offer criteria and details
- Induction cooktop technology - Innovative, fast, efficient cooking
- Glide touch controls - Precisely control element temperature with just the swipe of a finger
- 11" 3700-watt induction element - Powerful enough to boil a quart of water in 101 seconds yet gentle enough for delicate sauces
- Two 8" 2500-watt synchronized elements - Control two 8" elements simultaneously to evenly heat large cookware or griddles
- Anywhere control with remote notifications - Save time by conveniently preheating and monitoring your oven from anywhere using the GE Appliances Kitchen app
- Chef Connect - Three options with a single touch. For instant convenience, choose when to automatically sync clocks and the range elements with the microwave's surface light and vent
- Never-scrub oven racks - Long-lasting racks look great and can be cleaned at the same time as the oven
- True European Convection with Precise Air - Accurate heat circulation ensures evenly baked foods
- Soft-close storage drawer - Drawer closes silently and softly with just a touch
