- **48” Built-in Configuration** - Enjoy the streamlined appearance of a built-in refrigerator, designed to fit inside cabinetry
- **Integrated Dispenser with LED Lighting** - Have access to ice and water, and to refrigerator controls like temperature settings, with a dispenser that’s integrated into your refrigerator door
- **LED Lighting** - Find any item in your refrigerator with ease, thanks to bright, efficient lighting that illuminates the fresh-food and freezer compartments
- **Climate Controlled Drawer** - Alter your drawer’s internal temperature to suit the food inside, using one of three temperature settings: Meat, Produce or Citrus
- **Built-In WiFi** - Monitor and control your refrigerator from your smartphone, and receive helpful alerts if the door is left open or service is needed
- **Fresh Food Multi-Level Drawers** - Provide the ideal environment for storing your fruits and vegetables
- **Adjustable spillproof glass shelves** - Raised edges help contain spills to make clean up quick and easy
- **Large door bins** - Offers ideal space for storing large containers in the door, freeing up valuable shelf space
- **Adjustable Freezer Shelves** - Make room for a variety of frozen foods, using four wire shelves that are designed for easy adjustability
- **Built-In Ice Maker** - Enjoy clean, filtered ice anytime by scooping it from the freezer or using the integrated dispenser in the refrigerator door
• Full-Extension Freezer Baskets - Easily load and unload frozen items with freezer baskets that are engineered to slide all the way out

• Advanced Temperature Management System - Keep foods perfectly fresh with a multi-level air tower that distributes air evenly throughout the refrigerator and an overhead evaporator system that regulates humidity

• Advanced water filtration uses MWF replacement filter - Reduces trace pharmaceuticals from water and ice* (*Removes 98% of ibuprofen, atenolol, fluoxetine, progesterone and trimethoprim. These pharmaceuticals are not necessarily in all users' water)

• Overhead Cabinet Access - Gain easy access to the water filter and other service components located in the overhead evaporator cabinet that's designed with a convenient, flip-up panel
