

Hotpoint® One Button Dishwasher with Plastic Interior

HOTPOINT

Model# HDF310PGRWW

- **Reliable Performance** - American made, this dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle
- **Water Leak Sensor** - This dishwasher features Active Flood Protect, which prevents potential overflows for greater peace of mind. It works by using a water leak detector to sense when water is too high, pumping it out until a safe level is reached.
- **One Button Cycle** - This easy-to-use dishwasher has a one button cycle, so there's never confusion about which cycle you're using.
- **Completely Washed and Dry Dishes** - This dishwasher has thorough wash and dry cycles, so you'll always unload clean and dry dishes.
- **Heavy-Duty/Everyday Wash Cycles** - Activate a heavy-duty wash cycle for the dirtiest loads by pressing the wash button twice, or activate an everyday cycle for normal loads by pressing the wash button once
- **Hard Food Disposer** - The Piranha Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate at 3,600 RPM to pulverize food particles and an anti-jamming design make sure wash arms stay unclogged.
- **60 dBA Dishwasher** - This quiet dishwasher provides a powerful clean without unwanted noise or disturbances. A status light on the door lets you know when it's running.
